

New Vibe Culinary was started out of a desire to share the food experiences I grew up with and continue to experience with the community.

From fine dining nine course meals to potlucks, concessions and kids birthdays to large weddings. My twenty one years in the food-service industry has touches from every variety you can think of.

This menu was created for the customer, and can be customized to fit whatever type of event you're planning. The ability to adapt to different types of dietary needs and requests is important to me. It's your experience and my goal is to optimize that for you.

The menu reflects per person pricing, but does not include the 7.75% local and state sales tax and 10% service fee. Any event over \$1,000 requires a 10% deposit unless prior negotiations with us. We look forward to being a part of your next occasion.
