

## Potluck Menu

New Vibe Culinary was started out of a desire to share the food experiences I grew up with and continue to experience with the community.

From fine dining nine course meals to potlucks, concessions and kids birthdays to large weddings. My twenty one years in the food-service industry has touches from every variety you can think of.

This menu was created for the customer in an a la carte format. It's named Potluck Menu in honor of family gatherings and church functions I enjoy going to. If you're in need of anything for a family gathering, celebration of life, or a friends birthday this menu should have something for you. If you're in need of any modifications or would like something you don't see listed we can make that happen as well.

The menu reflects per person pricing, but does not include the 7.75% local and state sales tax and 10% service fee. Any event over \$1,000 requires a 10% deposit unless prior negotiations with us. We look forward to being a part of your next occasion.
